

BATH AND NORTH EAST SOMERSET COUNCIL

(SOLSBURY LANE / SWAINSWICK LANE, BATHEASTON, BATH)  
(TEMPORARY PROHIBITION OF USE BY VEHICLES) ORDER 2017

Notice is hereby given that the Bath and North East Somerset Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984 intends to make an order the effect of which will be to close temporarily to vehicles that length of Solsbury Lane from its junction with Northend in a westerly direction to its junction with Swainswick Lane, Batheaston, continuing in a northerly direction to its junction with the slip road that leads onto Gloucester Road, a total distance of approximately 2120 metres.

This order is required because works are being or are proposed to be executed on or near the road consequent upon a rolling programme of underground cable works with potential duct blockages in the carriageway by the KN Group and will be operative from the **9th March 2017** for a maximum period of three weeks. However, the restrictions may not be effected for the whole of the period but it is anticipated that the road will be restricted as and when traffic signs are in position and only for so long as is necessary to execute the works which it is anticipated will be for **ELEVEN DAYS**.
